

Week 6-7 Second Attempt: project title here

Name A

Name B

Page limit: 1 page.

I. SUMMARY OF YOUR INITIAL IDEA AND RESULTS

Explain the main idea of your project and summarize the initial results you reported in Week 4 report in one to two paragraphs.

II. SUMMARY OF FEEDBACK FROM PEER REVIEWS AND GRADE

Summarize the main feedback you got from peer reviews and the instructor's grade.

III. UPDATED METHOD

If you have made changes to the methods you are implementing, briefly describe the updated method and why you made such updates in one paragraph.

IV. UPDATED METHOD

If you have made changes to the example you are implementing, briefly describe the updates you made and why you made such updates in one paragraph.

V. RESULTS

Report and explain your new results in *one paragraph*. Clarify the new updates compared to the results reported in Week 4 report.

VI. REMAINING STEPS

Discuss briefly the remaining plans for your course project (until the final presentation and the course project report) *in a few sentences*.
